About Us

We are a trusted academy with over 15 years of agency experience, and we're ready to share that expertise with you.

Ad House was established in 2009 in Calicut, and since then, we've expanded to Bangalore and Kochi. Over the years, we've had the privilege of working with over 1,000 clients across Kerala, India, and the Middle East, gaining invaluable insights into the ever-evolving digital and creative world. With over a decade of experience, we've learned from both successes and challenges, staying ahead of industry trends and constantly updating our strategies.

Our confidence comes from the research, experimentation, and knowledge we've accumulated throughout the years. Now, we're here to share that with you, so you can follow the path we've paved toward a successful career.
